2.6 This constitution adheres to the principles and values enshrined in the Canadian Charter of Rights and Freedoms, Constitution Act, 1982.

Article III- Fees

3.1 Memberships Fees

3.1.1 Performing Membership Tier

Performing members are required to pay a nominal fee of \$80 to participate in the Company. The fee must be paid by the first company day, Preview Day in November, otherwise after the fee increases to \$90 up to and including Dec. 1st, and then to \$100 thereafter.

The \$80 membership fee allows each dancer to join as many pieces as they would like, and includes a copy of the annual DVD for free (additional copies available for purchase at cost), costume subsidies for all of their pieces (to be determined by the Treasurer on an annual basis based on budget projections), rehearsal space bookings, theatre and production costs, access to certain company events and socials, and free weekly technique workshops.

This fee does **not** include guest passes to access the facilities for technique workshops, although guest passes provided for rehearsals valid for the day of the workshop may be used to access that workshop. If a non-current UofT student member wishes to attend a workshop and does not have a valid guest pass for that day, they are required to pay the fee for the guest pass themselves, though the company can arrange for the pickup and purchase of the passes on their behalf.

Reimbursement for guest passes will be determined on a yearly basis by the Treasurer, in conjunction with the executive, based on the projected budget, number of guest passes required, and available funding. This reimbursement allotment may or may not cover all passes required for rehearsals throughout the season, and may be limited to certain facilities - additional member contribution may be required.

Members will only be reimbursed up to the reimbursement allotment for guest passes used to access the facilities for OHDC rehearsals. If members are found to be using guest passes paid for by the company for outside purposes (e.g. an unrelated event at

the AC), the company can suspend reimbursement of passes for that member, even if that member has not reached their reimbursement allotment.

3.1.2 Workshop Membership Tier

Workshop members are required to pay a nominal fee of \$40. This fee can be paid at any time during the year.

The \$40 fee allows members to attend all weekly technique workshops and to participate in company events and socials. This fee does **not** include guest passes required to access the facilities where the workshops are being hosted (e.g. Athletic Centre). Non-current UofT student members are responsible for paying the cost of the guest passes themselves, though the company can arrange for the pickup and purchase of the passes. This fee does not include tickets to the annual show.

3.2 The Executive understand that these fees can pose barriers to certain members, and have taken steps to address these barriers. The company offers two guaranteed (2) performance membership bursaries and two guaranteed (2) workshop membership bursaries each year for those that may be facing financial difficulties. Additional bursaries may be available on a year-to-year basis, pending available funding. All applications are kept strictly confidential and are assessed by the Treasurer and Creative Directors based on need, commitment to the company and its mandate, and other factors identified by the applicant. Additionally, if a member comes to confidentially discuss their situation with the Executive, the Treasurer can discuss installment options, fees reductions, or waiver of late payment penalties with the member. The Treasurer will work to ensure a satisfactory resolution that maintains the dignity and ability to participate of the member. The company has a dedicated Sponsorship Director that works hard every year to secure corporate sponsorship for us so that we can keep these membership costs as low as we possibly can, and that we are covering as many of the fees associated with each season as possible, but we still rely on membership fees for a portion of our annual operating expenses.

Our membership costs are very minimal considering what our dancers get. We have very high operating expenses:

- \$10 000 theatre rental fees for Hart House Theatre
- \$~7000 annually in costume subsidies for all dancers in all pieces (ie. the vast majority of costumes are paid for completely by OHDC)
- \$~2000 on marketing for the show so that our dancers perform to a large audience
- \$~ 3000 on stage crew, photographers, and videographer

- \$~3000 on rehearsal space rentals and guest passes
- \$~300 on social events, like food for our closing night party, DVD viewing

and other costs associated with mounting a full scale production, including things like SOCAN royalties, DVD copying, etc.

3.3 Fees shall be used for operating costs of the Company and toward the Show.

3.4 Members who fail to pay the appropriate fees by the deadlines noted will not be permitted to participate in club activities.

3.5 Members are expected to pay their fees according to a payment plan pre-determined by the Executive.

Article IV – Workshops

4.1 Dance or movement workshops will be held on a regular basis, as determined by the Executive.

4.2. All members are highly encouraged to attend at least one workshop per semester.

9.4 Creative Directors retain discretion to limit the number of Membership Pieces performed in the Show based on the Show's reasonable running time length.

9.5 The final screening of Membership Pieces shall occur at Run Through Day at least one week prior to the opening night of the Show.
